The Launching Pad has proven to be a positive option available for students who seek help with their homework. This requires three staff members to volunteer an hour after school on the day of their shift. To offer Launching Pad on Tuesdays - Thursdays for 32 weeks of the school year, we need 288 hour-shifts covered. How many times would you be willing to volunteer to support this student-centered service? _____

Please return to Amye before leaving for the school year. ☺
