

TOTALLY TIRED OF TOO MANY TARDIES!

Presented by
University High School
Waco Independent School District

A brief description of UHS:

- ❖ Fluctuating enrollment between approximately 1350 and 1400 students
- ❖ Growing student body of approximately 67% Hispanic, 27% African-American, and 6% White, and 90% Economically Disadvantaged
- ❖ Academically Acceptable

Why we implemented a research-based tardy program:

- ❖ To add value to classroom instruction
- ❖ To create a safe, orderly learning environment
- ❖ To build positive relationships
